Great Remedies.

DR. JOHN BULL'S

Concentrated Extract of

BUCHU

COMBINED WITH

Bromide of Potassium.

Purchase a bottle and carefully read directions.

BUCHU is a stimulant, and of itself

may fail to effect a cure, but Buchu,

when scientifically combined with Bromide

of Potassium and other ingredients, pro-

duces a sedative effect, and causes a healthy

action, thus increasing the powers of diges-

tion, relieving irritation, reducing all un-

natural swellings, stopping pain and inflam-

mation, and causing the repairs and nutri-

ments in the human body to be greater than

the wastes, thus preventing decomposition

and decay, and gives nourishment, health

and vigor to the system.

My Buchu is good for all diseases arising

from excesses such as colds, coughs, con-

sumptions, and all diseases of the throat,

in the back and lungs, Trembling in the

region of the Heart, Weak Nerves, Pallid

Countenance, Dryness of the Skin, Scrofula,

and all diseases of the skin, Ulcers, and

Syphilis, in its many forms, Uterus, and

Tumors.

If your system is affected by any of the

above symptoms and diseases, relief is at

hand. Get a bottle of my Buchu and Brom-

ide of Potassium at once and you may rely

on being cured.

I know just what I say. My record as a

Compounder of Medicine is second to no man

in the South.

Twenty-five or thirty years ago, as my

fellow-citizens know full well, found me be-

hind the prescription counter in the city in

which I now dwell; I have cured more peo-

ple of various diseases than all the physi-

cians in Louisville put together. Undoubt-

edly, for every single patient that any

Louisville physician has a hundred.

I am no upstart of today. My Medi-

cines are a success—a great success. Loui-

sville is not large enough for me to have a

competitor. I monopolize the Wholesale

Patent Medicine Trade here. One and an-

other have tried, by copying after me here

in Louisville, to do as good as I. But, after

another year, their guns have been silenced,

and their efforts have been abortive.

My Medicines are good and answer the

purpose—that is the secret of my success.

My reputation as a compounder of good, re-

liable articles is fully established.

I believe my Buchu and Bromide of Po-

tassium is the best article now in the mar-

ket for the cure of all diseases of the urinary

or genito-urinary organs, such as Neuritis

or gonorrhoea, Irritability of the Bladder

and Uterus, Inflammation of the Kidney

and all the diseases of the urinary

tract. Buy a dollar bottle and be cured. Use as

per directions in all cases.

The proprietor of this celebrated medi-

cine justly claims for it a superiority over

all remedies ever offered to the public for

the safe, certain, speedy, and permanent

cure of Ague and Fever, or Chills and Fever,

whether of short or long standing. It cures

the entire system, and restores the patient

to his country to bear his testimony to the

truth of the assertion, that in no case

will it fail to cure, if the directions are

THE MAN WITHOUT A BODY.

A Living Head on a Paralyzed

Body.

Near Glenwood, Iowa, resides James

T. Anderson, aged twenty six. Three

years ago he died from his neck down-

ward. His head, however, is alive, and

more vigorous and active than before

the body, which it once governed, ceased

to be vital.

James, at the time of the accident

that left him with a dead body and a

living head, was a handsome young man.

He weighed two hundred pounds, and

there was not a superfluous ounce of

flesh on his body.

One afternoon, when on a visit to an

uncle at Glenwood, Iowa, he was exer-

cising on a pole placed from one tree to

another in the back yard. He had a

pair of galloos tipped with patent leath-

er. He swung down from the pole by his

feet; the leather slipped, and he fell.

He struck his neck just where it joins

the shoulders. He was bewildered, but

performed a tolerably good month.

His neck was broken, and he was

in, and all thought his end was come.

We have received the "Life of Victoria Woodhull," written by Theodor Tilton. This is a wonderful book, and if its history of Victoria can be relied on as correct, her life and adventures surpass anything related in Gulliver's Travels, the Arabian Nights or the Adventures of Baron Munchausen.

Ayer's Hair Vigor,

For the Renovation of the Hair.

The Great Desideratum of the Age.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and the gloss and freshness of youth.

This hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling out, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil the clothing, and yet keeps the hair on the head, giving it a rich glossy lustre and a grateful perfume.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.

AN Italian harper and fuller are the sensation of town.

WHERE'S YOUR MULE?—John R. Anderson advertises a strayed mule in this issue.

VISITORS to the Fair commend the enterprise of the town of Hickman in having Harrison's hill graded.

Mr. Chambers, the indomitable and irrepressible editor of the Union City Herald, is visiting Hickman.

SOME one suggests that a dog ordinance is about the best one that could be created just now by our City Council.

SOME colored Hickmanites have a string band, and nightly regale the public with music, principally at saloons. They make good cholera.

THE hog cholera is about to carry off all the hogs in Calloway county, and large numbers in Graves county. The crops in both counties are good.

WE exchange our Daily with our weekly contemporaries, and expect for this unprecedented magnanimity, they will exclaim in their heart of hearts.

AN excursion party to the St. Louis Fair is contemplated by some Hickmanites. Visitors go half fair by way of Cairo and the St. Louis short line.

THEY Bernard's Chill Cure are convinced of its merit. Why suffer from Fever and Ague, when Bernard's Chill Cure will cure you.

Several of our prominent citizens propose attending the sale of the Nashville and Northwestern Railroad which occurs in Nashville, Oct. 4th.

Our talented and able friend, Major Theo. E. Moss, was on the Fair Grounds yesterday, mixing and mingling with his numerous friends.

WE had considerable wind and some rain Monday night between 10 and 11 o'clock. The streets and atmosphere are since in much better condition.

MR. James Lawrie and Mr. C. O. Alford, of Paducah, were about to fight a duel, but compromised by mutually saying, "I didn't."

A MUSICAL TOWN.—Between the Brass Band, Italian harpers, and stringed instruments, Hickman has been a musical town this week. Our nights are resonant with music.

OUR Market house men have been alive to the extra demand for beef, mutton, etc., this week, and their stalls have been well supplied.

THE Lodge of Good Templars of Hickman held their regular meeting Tuesday night, and received several new members. This order is very strong in Fulton county.

BERNARD'S Chill Cure acts on the liver and bowels. Bernard's Chill Cure does nothing injurious.

Many of the ladies of Hickman have been greatly bothered this week on account of scarcity of house servants.—Some have to entertain company by the labor of their own fair hands.

Attention is called to the grand gift concert, to be given in Louisville, for the benefit of the Public Library of Kentucky. Millet & Roulhac are the agents at this place; \$550,000 in prize.

FROM conversation with numbers of our farmers, we find considerable difference of opinion as to the present crops. Some claim full average, and others only about one-half crops.

THE Columbus Dispatch says that the cattle in Hickman county are dying at an alarming rate. The disease is ascribed to the presence of Texas cattle in the county.

DRAMATIC.—Some members of Hickman Lodge I. O. G. T. are rehearsing dramatic scenes from the "Drunkards Life," for delivery before the Board.—They should arrange for a public entertainment.

FINE STOCK.—Stables of fine stock from Christian county, Ky., Paducah, Memphis, Charleston, Mo., Obion and Dyer counties, Tenn., and Hickman and Fulton counties, Ky., have arrived, and are ready for the different Fair Rings at our County Fair.

PERSONAL.—We had the pleasure of meeting our friend, Robt. Summers, the talented editor of the Columbus Dispatch, yesterday. Also, that enterprising Missourian and ex-editor Col. Geo. Whitcomb. These gentlemen have just returned from the Illinois State Fair at Du Quoin.

THE charter for the proposed levee from Hickman to Tiptonville, is now being prepared, and will be submitted to the Tennessee Legislature, which assembles the first of October. It is to be a joint charter between Kentucky and Tennessee.

SALE OF COTTON.—The \$50 tea sett premium bale of cotton was sold at auction on the Fair Ground yesterday to Messrs Platt & Bro. at 21 cents.

The silver pitcher bale was also sold to W. L. McCutchen at 20 cents.

Music!

THE dust in these parts is almost insufferable. The road from town to the Fair Grounds is a very cloud of dust from early morn to sunset. The Fairing is also unpleasant on this account. Can't we help it sprinkled?

BEST LOT OF GENTS' WALKING CANES, ever brought to Hickman, can be seen at Clinton Street, Hickman, Ky.

MR. MARTIN, the pleasant editor of the Charleston, (Mo.) Courier, arrived in Hickman yesterday. Our Fair and town owe him very friendly office, for his friendship through the columns of his paper.

J. H. DAVIS, has just received and will sell for low prices, a large stock of Miscellaneous and School Books, Stationery, &c. Also, a large and complete stock of Queensware, Glassware, Lamps, &c.

The Hickman Chapter of Royal Arch Masons, held their regular meeting Wednesday night, in Masonic hall. Mr. J. H. Davis was elected High Priest, and George Warren Secretary for the ensuing year.

CITY DEBT FUNDED.—Our City fathers have consummated their arrangements thoroughly, for funding the city debt.—Under this operation the debt is deferred in twenty year payments, and also leaves a sufficient per cent of the city revenue for all necessary purposes.

THE CASKET OF JEWELS!! For sale by J. H. DAVIS.

THE DAILY COURIER acknowledges courtesies from our enterprising living man, Wm. Plummer, to our Fair report—our wean our reporter for the Fair. It is not often newspaper men get to ride behind premium stock. Also, to Mr. Dick Prather, who has a \$500 three minute mare.

"GET THE BEST." THE "BOX" Paper Cakes are the best in the market. Price 25 cents a Box. For sale only by WM. FRENZ.

MEMORIALS.—We call attention to the Marble Yard advertisement of B. C. Ramage. The erection of marble is the last work of respect which we pay to the memory of departed friends. It is the custom which has been followed from the remotest ages of antiquity, speaking the language of affection, regard and hope, from living and loving hearts.

FIRE.—Tuesday night the weather changed to a lively cold, and the consequence is morning fires are in demand. Orders for coal, fixing stoves, etc., will be well here to suggest extreme caution as to fires, as this is the season for fire misfortunes. A little prudence, even though at some expense, may save great losses.

Coal Oil. IF YOU WANT a safe and reliable Coal Oil purchase from J. H. DAVIS.

A brakeman was badly stabled on our railroad a few days since for interfering with the amusement of a gentleman who was only annoying some ladies.—When this man fully boasted of his bravery to a sheriff at Waverly the latter actually had the impudence to arrest and lodge him in jail. He did so however at the risk of his own life as the playful gentleman put a shot through the sheriff's coat and vest.

THE BALLOON ASCENSION.—Prof. Webster, the aeronaut, made his voyage to the clouds Wednesday evening at the Fair Grounds, witnessed perhaps by one thousand people. The ascension was an entire success. The balloon after reaching the height of about a quarter of a mile, began to veer southward, which direction it held until it commenced to descend. The Professor landed in a neighboring corn field about one mile distant from the grounds safe and sound.

THE RAILROAD RALLY!—This is the ominous head found in nearly all our newspaper exchanges. May all their writings, prophecies, and calculations, prove realities. May each have a perfect network of railroads centering right in their corporate limits, and may each and all of them increase in population and wealth, for thereby the merchants and manufacturers of Hickman will be enriched.

THE HOG LAW.—Hickman has a rigid hog law, but its enforcement from perhaps good causes is lax. Yesterday evening a little girl was returning from market, with a small bag of meal, when an old sow, setting city ordinances at defiance, reached up, snatched it from her shoulders, and deliberately walked off with bag, meal and all. Our special artist is absent or the little girl's comic appearance in the scene should be deplorable!

Just Received. 2000 Halls Wall Paper, (new pattern), 300 Paper Window Shades, 2000 Linen, &c. For sale at the lowest market price by WM. FRENZ.

The Old Pioneer's Meeting.

The Old Pioneer's Meeting at Mayfield last week, was attended by eight or ten thousand people. The meeting was opened by a very fervent and eloquent prayer, by the Rev. Willis White of Hickman county. Hon. Ed. Croiland, Hon. Ervin Anderson, Judge W. P. Fowler, Hon. J. B. Husbands, Judge R. K. Williams, Judge A. R. Boon, and Hon. Alex. Willingham, delivered addresses.

There was one man registered as an "old pioneer" as 141 years of age, and came to the purchase in the year 1782. The Kentuckian says:

"The speaking over, the 'old pioneers' assembled at another place on the ground and after singing and prayer took a most affectionate leave of each other—the scene was solemn and affecting. The immense crowd then dispersed to their homes."

VALUABLE ACQUISITION TO HICKMAN.—Mr. S. Levi has opened his wholesale Liquor and Cigar Store in the Rose hotel, Clinton street. Mr. Levi has a wholesale house in Cincinnati, and is an old and well known dealer in imported wines and liquors. His Cincinnati house does an extensive business. His Hickman house will duplicate Cincinnati prices, only adding freights. This house we regard as a valuable acquisition to Hickman, and are confident of the well established capacity and ability of its proprietors that it will be eminently successful. Dealers can do just as well in Hickman as in Cincinnati.

THE best assortment of Toilet Soaps, Perfumery and all kinds of Fancy Goods, can be found at WM. FRENZ. Call and be convinced.

We have been informed that there is a regularly organized band of horse thieves, composed of negroes, whose headquarters are in the neighborhood of Fulton Station. Some members of this gang stole a horse from Mr. Moss, living in the neighborhood of Columbus. A number of horses and mules have been strayed, lost or stolen, in this county, and we suppose this band got them.

WILLIAM FRENZ has just received a large and splendid stock of Gold, Silver and Jewelry of every description consisting in part of Ladies Jet and Plated Sets, Bracelets, Necklaces, Gold and Plated Rings, Buttons and Charms, Gent's Pins, Suits and Sleeve Buttons, Watch-Guards and Vest Chains; Bead, Flower and Work Baskets, &c., all of which will be sold to customers at less than city prices. Call and see for yourselves.

LIVE BUSINESS MEN.—Among those of our business men who are striving with commendable energy to build up the trade of Hickman, we refer to those advertising in the DAILY COURIER.

As evidence of their success one needs but to peep into their stores and witness the crowds that daily throng their counters to purchase from their large and elegant stocks. We need not enumerate many articles displayed in their stores, as they are not afraid to let the public know what they have for sale, as will be seen by their advertisements elsewhere.

THE BALL.—The dance at the City hall under the management of the Brass Band was well attended by the youngsters of the city on Wednesday evening. The spacious hall furnishes large space for three cotillions, with sufficient room for any number of spectators. The music was excellent, and the well measured steps of the dancers were graceful and airy. The reporter for this paper returns his inexpressible gratitude to the beautiful lady, whose "home is the air," for the offer to dance with him. It was an invitation to "make a game smile, and dream itself to youth," and fearful that the temptation would overcome the discretion of years, he fell the scene.

DEATH OF MR. BART. HALE.—It is our painful duty this morning to announce the death of Mr. Bart, Hale, of Columbus—the gentleman who was wounded by the accident in the harness horse ring at the Fair yesterday. He died Wednesday night about 12 o'clock, and his brother and friends left on the 7 o'clock train yesterday morning with his remains for his home at Columbus. Mr. Hale was well beloved by those who knew him, and had the reputation of being a clever, straight-forward gentleman. He was for many years engaged as a clerk in the house of McKee Hubbard, and had the entire confidence of the trading public. He was a member of the Methodist church, and we trust his soul is now happy. Mr. Hale had every attention, possible, from our citizens, physicians, and friends, and everything that could be done to alleviate his sufferings.

An old man living in Calloway county, east of Wadesboro, went out in his yard one night last week, and lying on the ground, out his throat. After doing so he crawled out into the cornfield, where he was found the next morning in a dying condition, unable to speak. He lived but a short time after he was discovered. His name was Henry Wolfe. He was one hundred and eighty years old; was a healthy, active man, had never been sick, and had never taken a dose of medicine in his life. No cause is assigned for the act.

OUR County Jail is now torn down, level with mother earth, and nothing but the bare iron cells are left standing. An overjoyful gentlemen, thinking to take advantage of the condition, violated certain city regulations yesterday. The iron cells proved strong enough to hold him.

THE FIRE—OWENS' HOUSE DESTROYED.

YESTERDAY evening between 3 and 4 o'clock the dwelling house occupied by Mr. Shepherd, the property owned by Mr. Richard Owens, was discovered to be on fire. The alarm was immediately given, and a large number of citizens rushed to the ground, but too late to stay the flames. We believe all the household furniture of Mr. Shepherd's with perhaps a few exceptions, was saved, but the house was totally destroyed. The building was valued at \$2,000, and had no insurance. Mr. O. had had a policy in the Phoenix company, but permitted it to expire.

We are again reminded of the helplessness of our people in contending against such misfortune. This fire was discovered in ample time to have saved the property, if our people had been supplied with any facilities with which to fight the fire. Our property owners should look to this deficiency.

HUNTING A LOST DAUGHTER.—In last Saturday's COURIER, we published an account of a young lady, whose family lives some twenty miles above Paducah, being kidnapped and stolen from her parents. Her name is Mary Ann Hubbard. The father of the young lady was in Hickman yesterday, seeking information of her whereabouts.

A Card of Thanks. To the citizens of Hickman and others who labored so faithfully and busily, on yesterday, as to save my property from fire, I return my thanks, as the only tribute I can offer for their kindness. My earnest desire is that no one of them may ever have an occasion for the repetition of such favors. Sept. 27. A. D. KINGMAN.

CITIZENS ARRESTED.—In last Saturday's COURIER, we made mention of the arrest of some of our citizens by a squad of Federal Soldiers. J. N. Patterson, R. N. Wade, J. Lee, A. J. Farmer, and W. Booth, of Obion county, were the parties. They are charged with KKKing.
